TEULADA'S FIESTAS IN FULL SWING

It seems only yesterday. The Fiesta Queens opened the festivity on March 31 with a toast and a lot of people took part in the various solemn celebrations in honour of the patron San Vicente Ferrer.

REFURBISHMENT OF ACCESS HEALTH CENTER AND GREEN AREA

The access to the health center had been damaged and could have easily caused accidents. The Town Hall in collaboration with the ministry of general services has refurbished the access and the green area has been updated.

ERMITA SAN VICENTE FERRER - REFURBISHED

... More information

Just in time for the San Vicente Ferrer festivity the Town Hall has refurbished the Ermita: the front has been painted, flower pots have been repaired and the floor has been replaced.

FIESTA TIME, PARTY TIME AND ALCAHOL

Posters have been distributed in bars and leisure areas since the beginning of the festivity and the typical fiesta bar incorporates a so called "light bar".
