### NOTIFICATION

#### NOTIFICATION CORREOS

The Town Hall of Teulada informs that currently the municipality is trying to find a solution in collaboration with "Correos" to avoid any interruption in the postal service, given the situation that the public authority Correos and Telégrafos S.A., responsible for the postal service in Spain, has sent out a circular letter.

## TEULADA RECEIVED A SUBSIDY TO EMPLOY JOBLESS

The municipality got a subsidy of 17.819,43€ from the Department of Trade, Industry and Employment. The Programme "Social initiative 2016" is a tool which in collaboration with resident entities gives jobless registered with the Servei the chance to get jobs of general social interest. With this subsidy Teulada has employed two workers for maintenance jobs in public areas, two for forest operations and one caretaker for municipal facilities. The elected candidates will be working until March 8, 2017.
