## PLENARY SESSION AGREES WITH ALLEGATIONS OF PATIVEL

During the last extraordinary plenary session Teulada Moraira unanimously approved the allegations to be presented regarding PATIVEL and will forward them to the department of the provincial council in charge. PATIVEL (territorial action plan green infrastructure along coast) was the only subject discussed during the session with the goal to agree on important allegations.

## FEBRUARY 5, 2017 – TREE DAY

To celebrate tree day the parents' association of the CEIP Sant Vicent Ferrer and the department of environment have planned some activities. The whole family is invited to celebrate the day which starts at 10:30am at the Ermita Font Santa where the association offers hot chocolate and a breakfast. Afterwards everybody meets at the green zone of the village, opposite the commercial centre "El Planet", for the tree planting.
