INSTALLATION OF SOLAR STREET LIGHTING IN TEULADA MORAIRA

During the first phase 20 lamps equipped with a solar panel will be installed. They will be more efficient, autonomous and environmentally sound without causing any cost.

Primary roads, pavements, pedestrian crossings, strategic areas which need more protection and a better security check will be the first ones enjoying the new lighting: C/. Puerto Espindola, C/. Haya, C/. Móstoles, C/. Palencia, Cami del Pas, Camino del Campamento, Calle Murcia, C/. Finisterre, C/. Mar Norte, Camino Camarrocha, C/. Benimuslem, Camino Estret, C/. Almendo, Camino Paellero, C/. Gemisant, Camino de la Viuda, C/. Flamenco, C/. Colibrí y C/. Alcolecha.
