PAULA LLOBELL AND MARÍA BISQUERT ARE THE QUEENS OF THE SANT VICENT FERRER FESTIVITIES

MUSCATEL FESTIVITY IN TEULADA MORAIRA

Last Saturday 23 boys and 11 girls presented themselves for the election of the children's queen for next year's Sant Vicent Ferrer Festivities. This year's election theme was "Circus" and as there were more boys than girls six pairs had to be formed by boys only. The children's queen 2017, Leyre Lanáquera accompanied by Saúl Such and her maids of honour Carolina Estivalis with Elias Ivars and Flavia Bocica with José Andrés Ortolá pulled out the first names of the couple who will be part of the royal suite.

During a press conference Carlos Linares, mayor of Teulada Moraira, Mila Bisquert, president of the cultural Association "Amics de Teulada (ACAT)" and Joan Llobell, coordinator of the 2nd short film festival presented the programme of the "Fiesta del Moscatel". A lot of activities are awaiting citizens and visitors: photo exhibition, tasting of various drinks, short film festival, grape contest, experiences around the muscatel grape, cocktails etc.
