TEULADA MORAIRA SUPPORTS START-UPS

The council of Teulada Moraira is striving to get entrepreneurs to open their business in the municipality of Teulada Moraira, very important for the economic growth of the village and the creation of additional jobs. The councillor Nieves Rodríguez informed that the municipality has decided on supporting 10 start-ups which have been founded between November 1, 2016 and October 31, 2017 (deciding is the registration date with the tax office, form 036 or 037), with 5.000€, viz. 500€ for each.
